## PLEASE READ CAREFULLY

Our nursery was established 88 years ago (1846), and incorporated in 1892 and continues under the same careful management. If you cannot find what you want in this price list, write to us. We aim to supply all trees and plants adapted to this country.

**SHIPPING FACILITIES.** West, by N. Y. C. and L. V. R. R. East, by New York Central and Lehigh Valley. South, by Lehigh Valley and Penn. Div. of New York Central, and Penn. R. R. via. Canandaigua.

**EXPRESS COMPANIES.** The American Railway Express Company gives good service.

**TRUCK DELIVERY.** Freight Trucks leave our Packing Cellar daily, to many points. These trucks make proper connections and transfers for shipments.

Rates for this kind of delivery are on a level with local freight rates and in many cases, for heavy and full loads, lower.

If interested in this kind of delivery please write us in this connection. NOTE: Some customers prefer to employ their own trucks for this purpose. This arrangement is very satisfactory. It means a saving to the customer—eliminating handling and packing costs.

If you do prefer to send your own truck, we will appreciate two or three days advance notice—giving us ample time to have your stock ready for loading.
